"I feel it my duty to let you know with what success I have used the Cuticura Remedies. When our baby was seven weeks old he broke out with what we thought was heat but which gradually grow worse. He said it was eczema and from that time we doctored six months with three of the best doctors in Atchlson but he only got worse. His face, head and hands were a solid sore. There was no end to the suffering for him. We had to tie his little hands to keep him from scratching. He never knew what it was to sleep well from the time he took the disease until he was cured. He kept us awake all hours in the night and his health wasn't what you would call good. We tried everything but the right thing. Finally I got a set of the Cuticura Remedies and am pleased to say we did not use all of them until he was cured. We have waited a year and a half to see if it would return but it never has and to-day his skin is clear and fair as it possibly could be. I hope Cuticura may save some one clae's little one's suffering and also their pocket-books. John Leason, 1403 Atchlson St., Atchison, Kan., Oct. 19, 1909."

Boasts of a Lady Who Could Hardly Walk, but Finally Made a Quick Recovery by the Aid of Cardui.

Dry Ridge, Ky.—"I was so poorly, with a pain in my side, that I was almost dead," writes Mrs. Lydia Powell, of this place. "Before I tried Cardui I could hardly walk across the room. Now I can walk four miles and do my work with much more ease. I praise Cardui for my wonderful cure,"

You may wonder why this medicine is so successful in benefiting sick women, even seemingly serious cases. The answer is very simple.

Cardui is successful because it is com on the womanly constitution. It is a medicine for women, and only for women. If you are weak and ailing, or suffe

from lack of appetite, lack of blood, lack of vitality, Cardui is just what you need to put you into a proper state of health. No medicine without merit could remain in such constant use and show such continual increase in sales as Cardul has for the past 50 years.
